We hope you find these sites and information useful. Above all, spend time with your child:

- looking at books
- cooking
- playing with their toys
- making up stories
- imaginative play
- playing in the garden
- weeding/gardening
- making models out of junk materials

Our Parent Support Advisor (PSA) Katie Bourne is available via phone between the hours of 9am-3pm Mon-Fri. **07522 165000**

We understand that this is an uncertain time for us all and would like to remind you that closing schools means that families must **stay at home**. It is not an 'extra holiday' and should not be seen as a chance to go out and about.

If you have any queries or questions, please get in touch. We hope to see you all soon and please stay safe!
