

Reception

Find the term when your child is absent from school and working remotely e.g. Autumn or Spring.

When you click on the subject link (Literacy/ Maths/ Topic) this will take you to the Oak National Academy where you will find a series of professionally planned, teacher-led lessons for your child's year group. As far as is possible, these will be aligned to the skills that are being taught in school. More specific and detailed activities will be found for your child by logging on to the Purple Mash website.
