A Message from Mrs Hammond 16/09/2026

Dear Parents and Carers,

I would like to take this opportunity to thank you for helping to make the start of the new school year so great. It has been wonderful to see the children arriving on time, looking smart in their school uniform and attending school every day ready to learn.

We have a very busy and exciting term ahead, with lots of engaging topics, experiences and learning activities planned for the children. Please take a look at the curriculum overviews that were sent home last week to find out more.

We also have some fantastic events coming up over the next few weeks, including our annual **Macmillan Coffee Morning**. This event has always been very well supported by our school community and we are grateful for the generosity shown by families in previous years. We look forward to another successful event this year.

Please remember to keep up to date with school events and important information by checking our newsletters. If you have any questions or require any support, please do not hesitate to contact the school office.

Thank you for your continued support of your child and our school. By working together, we can ensure every child has the very best opportunities to learn, grow and achieve.

Kindest regards, Mrs Hammond

Why good attence is so important for your child

The 50,000 Days Challenge

From 3rd September, we launched this year's 50,000 school days attendance challenge.

Each week we will add the total number of days attended by the children. As we reach each 10,000 days milestone, we will celebrate with a whole school reward.

Our Attendance Ambassadors will track and record the days and will choose our rewards, when we reach our milestones.
To get us started we have set a target of **5000 days**. So far, we have achieved…

Wednesday 16th September
DAY 10
2371 Days
out of a possible 2650

We need **everyone** one to be in school **everyday**, **on time**! This is everyone's **CHALLENGE**.
