

Autumn 1 Topic Overview

Year 1

PERSONAL DEVELOPMENT

This term we will be focusing on being Teamwork Titans. In PSHE our topic is **HEALTHY AND HAPPY FRIENDSHIPS**. We will be learning about friends, kindness and getting along and sharing.

Maths

In maths we are learning about place value within 10. Then we will begin our unit on addition & subtraction.

Reading

In Year 1 we have a huge focus on reading. We use Read Write Inc (RWI) to teach phonics. Children will continue to learn to read set 1, 2 and 3 sounds and apply them when reading.

Writing

When writing, we will be practicing forming letters correctly, positioning them correctly on a line. We will be learning to spell Year 1 common exception words. We will also practice sentence writing skills to include capital letters at the beginning, finger spaces between words and ending a sentence with a full stop.

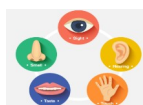

Our topic for this half term is

All about me

Science

Our topic this half term in Science is, 'Ourselves.' Children will name parts of the human body. They will also use their five senses to develop stronger observation skills and a foundation for scientific thinking.

Computing

In Year 1 children learn to use the iPad to access their work. They will be learning to log in and use a password on Purple Mash. They will demonstrate the importance of online safety when logging in.

Art

This term children will be using different drawing tools to make a wide range of marks and practice shading techniques. They will draw a self portrait representing different emotion inspired by famous expressionists artists work.

Music

Year 1 children will learn about pulse and rhythm clapping, singing and copying rhythms based on word patterns.

Special Visits / Events

Year 1 will visit the Arboretum Park to observe seasonal changes and explore physical features in their local environment.
