Messages from Mrs Hammond and the Team

Have you
parked
safely?

We would like to thank everyone who has support us in trying to keep our children on the roads and pavements around our school.

Our school council will be running a 'Keeping Safe on the Way to School' project next term.

Unfortunately, we still have a number of parents parking cars on the zig-zags outside the school gates, especially during lunchtime, when collecting from Nursery or for late/early drop offs.

This is not safe and may result in one of our wonderful children being hurt or seriously injured.

What's been happening at AIS

The last week of this term has been packed full of exciting events.

On Tuesday and Wednesday our wonderful Year 1 children performed their Spring Show to a packed hall of children and parents. The children used the show to demonstrate their fantastic singing and performance skills, which they have been practising this half term.

Also this week, we chose the winners of our
'Design a SUPERHERO Egg Competition.'

Thank you to all of the children who took part in this fun, at home competition. We had over 120 entries and it was a very tough job picking the winners.

On Wednesday and Thursday Reverend Emily visited our school to share the **Easter Story** with our children. xxxxxxxxxxxxxxxxxxxxxxxx xxxxxxxxxxxx

Finally, we would like to thank those parents and carers who joined us on Wednesday for our termly SEND parent's **Coffee, Cake and a Catch Up** morning.

Please keep an eye on the diary, as there will be lots of parent and children events, workshops and coffee mornings, next term.
